## Treasurer's Report

At our last membership meeting we offered a Silent Auction which came about through the kindness of Garry and Dona Hogan.

The Hogans are downsizing and we were happy to help. The proceeds of \$818.00 were split 50/50 which added \$409.00 to our coffers.

Thank you members for your participation also a big thank you to the Legion Pool Players who purchased many items.

Please keep this thought active, we could do this again for any member.

## Miscellaneous Information

Those of you who subscribe to "Life is Better Downhome" would have seen an annual cruise promoted...."Shanneyganock and Friends Cruise"

I just returned from that .....OMG what fun!!!!!! If you can imagine being with 200 fellow Newfoundlanders every day for 7 days and enjoying traditional music, dancing, singing and conversation. The fact that the ship was the world's largest and contained every entertainment imaginable, docked in exciting places and served great food was secondary to the fact that "us Newfies were together and having a ball" Save your pennies for next year or the year after and GO. I brought home a cold but it was worth it.

## Did You Know?

Many of us are at that age and/or lived in the country, and well remember the House behind the House.

### The House Behind the House

One of my earliest memories  
As I recall the days of yore  
was the little house, behind the house,  
With the crescent o'er the door.  
'Twas a place to sit and ponder  
With your head all bowed down low;

Knowing that you wouldn't be there,  
If you didn't have to go.  
Ours was a multi-holer  
With a size for everyone.  
You left there feeling better,  
After your job was done.  
You had to make those frequent trips  
In snow, rain, sleet, or fog--  
To that little house where you usually  
Found the Sears or  
Eaton's  
catalogue.  
Oft times in dead of winter,  
The seat was spread with snow.  
T'was then with much reluctance,  
To that little house you'd go.  
With a swish you'd clear that wooden seat,  
Bend low, with dreadful fear  
You'd shut your eyes and grit your teeth  
As you settled on your rear.  
I recall the day  
Ol' Granddad,  
Who stayed with us one summer,  
Made a trip out to that little house  
Which proved to be a bummer.  
'Twas the same day that my Dad had  
Finished painting the kitchen green.  
He'd just cleaned up the mess he'd made  
With rags and gasoline.  
He tossed the rags down in the hole  
Went on his usual way  
Not knowing that by doing so  
He'd eventually rue the day.  
Now Granddad had an urgent call,  
I never will forget!  
This trip he made to the little house  
Stays in my memory yet.  
He sat down on the wooden seat,  
With both feet on the floor.  
He filled his pipe and tapped it down  
And struck a match on the outhouse door.

He lit the pipe and sure enough,  
it soon began to glow.  
He slowly raised his rear a bit  
And tossed the flaming match below.
